3. Registration

- 3.1. All Transport Operators arriving at **Metrobox Rolleston** will be required to have a valid VBS Timeslot booking. VBS Timeslots are to be booked through the 1-Stop website www.1-stop.biz and must be made in advance of arriving at the depot
- 3.2. To book a VBS Timeslot, Transport Operators must register their entity and individual Users by completing the relevant application forms on the 1-Stop website www.1-stop.biz. Anyone registering Users is authorised to provide personal information of Users to 1-Stop in connection with use of the VBS. The Privacy Statement on the 1-Stop website governs the collection, use and disclosure of such personal information. 1-Stop may track and audit the use of the VBS
- 3.3. If a registration application is accepted, a username and password will be emailed to the Registered User. The log in credentials provided are intended for the Registered User only, and are not assignable or transferable to any other person. Usernames and passwords must remain secure and confidential, and must not be disclosed to any other person. Each Registered User is responsible and liable for any and all activities that occur under or through the use of their username and password
- 3.4. Trucks arriving representing Transport Operator's that have not registered an account with 1-Stop will not be serviced.

4. Booking and Booking Parameters

4.1. Zones

- 4.1.1. Zones are 60 minutes and commence on the hour during the depots hours of operation
- 4.1.2. Zones will be made available for booking 96 hours in advance

- 4.1.3. The Transport Operator must arrive within the booked Zone to be processed as 'on time'. Discretion of up to 15 minutes either side of the Zone may be used to process bookings where possible
- 4.1.4. If the Transport Operator arrives before the Zone has commenced or after the Zone has ended, the depot reserves the right to request the Transport Operator to exit the depot and either return during the booked Zone or rebook
- 4.1.5. If the Transport Operator arrives 16 minutes or more before the Zone commences and the depot elects to process the booking, the VBS Timeslot will be considered "Early" and the associated fee will be applied
- 4.1.6. If the Transport Operator arrives 16 minutes or more after the Zone has finished and the depot elects to process the booking, the VBS Timeslot will be considered "Late" and the associated fee will be applied.

4.2. VBS Timeslots

- 4.2.1. A VBS Timeslot is for the Transport Operator it is booked for only and is not transferable
- 4.2.2. A nominated number of VBS Timeslots will be made available for each Zone and each site. These will be visible when booking.

4.3. Drop Off VBS Timeslots

- 4.3.1. Transport Operators must book a "Drop Off" VBS Timeslot for each individual container they want to return to **Metrobox Rolleston**
- 4.3.2. A "Drop Off" VBS Timeslot must be created a minimum of 5 minutes in advance of a Transport Operator arriving at **Metrobox Rolleston**
- 4.3.3. All fields populated when booking a "Drop Off" VBS Timeslot must be true and correct. If any details are incorrect **Metrobox Rolleston** reserves the right to refuse entry
- 4.3.4. If a container has a pre-existing acceptance issued by the shipping line, the drop off site will appear when the "Drop Off" VBS Timeslot is booked
- 4.3.5. If a container does not have a pre-existing acceptance, the Transport Operator will be required to confirm the drop off site with their customer and select the correct drop off site when they book. **Metrobox Rolleston** will monitor drop off bookings and sites and amend if the selected site is not correct. If there is insufficient time to amend a site, **Metrobox Rolleston** reserves the right to redirect the Transport Operator to an alternative site on arrival without **Metrobox Rolleston** incurring any penalty.

4.4. Pick Up VBS Timeslots
